PROFESSIONAL EXPERIENCE

Freelance   **12/2023 - 02/2024**
Mendelsohn-Bass Fine Art
- Developed a highly personalized website for an artist, showcasing and managing their portfolio effectively.
- Integrated custom CMS functionalities with a clean and intuitive interface, including authentication, database management and storage capabilities.

Tech Fleet - Ruminate Feedback Platform Phase 4   **10/2023 - 12/2023**
Back End Developer Lead
- Spearheaded the creation of the "Feedback" platform prototype, establishing a strong foundation for future iterations.
- Successfully achieved project milestones and delivered results to clients using Agile methodologies.
- Orchestrated seamless collaboration between development, design, and strategy teams to streamline project execution.

Freelance   **08/2023 - 10/2023**
Zovant CCTV
- Developed a custom inventory management catalog site for a CCTV wholesaler.
- Collaborated directly with the client to supply an effective, bespoke CMS system with authentication, database management and file uploads.

Westside Loan Office   **08/2010 - 11/2022**
Manager, Sales, E-Commerce, IT   *Los Angeles, CA*
- Led a 10-15 person team with a loan base up to $3 million.
- Managed the e-commerce platform, resulting in a significant increase in online sales and expanding the business's reach to a wider customer base.
- Successfully navigated and resolved technical and business-related issues on the fly, ensuring smooth operations and maximizing customer satisfaction.
- Played a crucial role in maintaining compliance with federal, state, and local regulations, safeguarding the business from potential legal risks.

EDUCATION

California State Polytechnic University, Humboldt
Bachelor of Arts, Anthropology
- Graduated magna cum laude

PROJECTS

Parentingo.com   **02/2024 - 04/2024**
- Created an efficient and well tested RESTful API to facilitate users creating and moderating their own discussion groups.
- Designed and developed a decoupled front-end to effectively communicate with the back-end API.
